Tel. Administration: (905) 372-7056 – Fax: (905) 373-4800

April 2010

During this past year, Northumberland Services for Women (NSW) provided nearly 7,000 nights of shelter to women and children in Northumberland County fleeing abuse.

Since 1985 we have provided shelter, safety and support services, and for over 15 years we have been able to offer a Summer Children's Program to hundreds of children made possible through generous donations from community leaders like you. Your support provides transportation, admission, supplies, meals and snacks for the outings.

Some of our activities have included day trips to the Cobourg beach, Peterborough Zoo, mini golf, Cedar Park and a Madame Buskerfly Show. We have even brought Jungle Cat World into our own backyard!

Often these outings and events are the highlight of our families' summer, and the day's end with happy, yet tired, participants! Fun and normalcy help ease the pain for children who have been exposed to family violence. Being part of these activities can make a significant difference in the lives of these children.

We are now planning our Summer Children's Program for 2010 and are seeking your support. You can make a difference in the life of a local child this summer. Any amount helps.

Thank you for your continued support,

*Linda*
